Poster Deadline

Poster printing takes ~2-4 hrs.
I require you to submit pdf files by 04/26 midnight
So we can print it on time for the poster presentation.

Template will be provided.

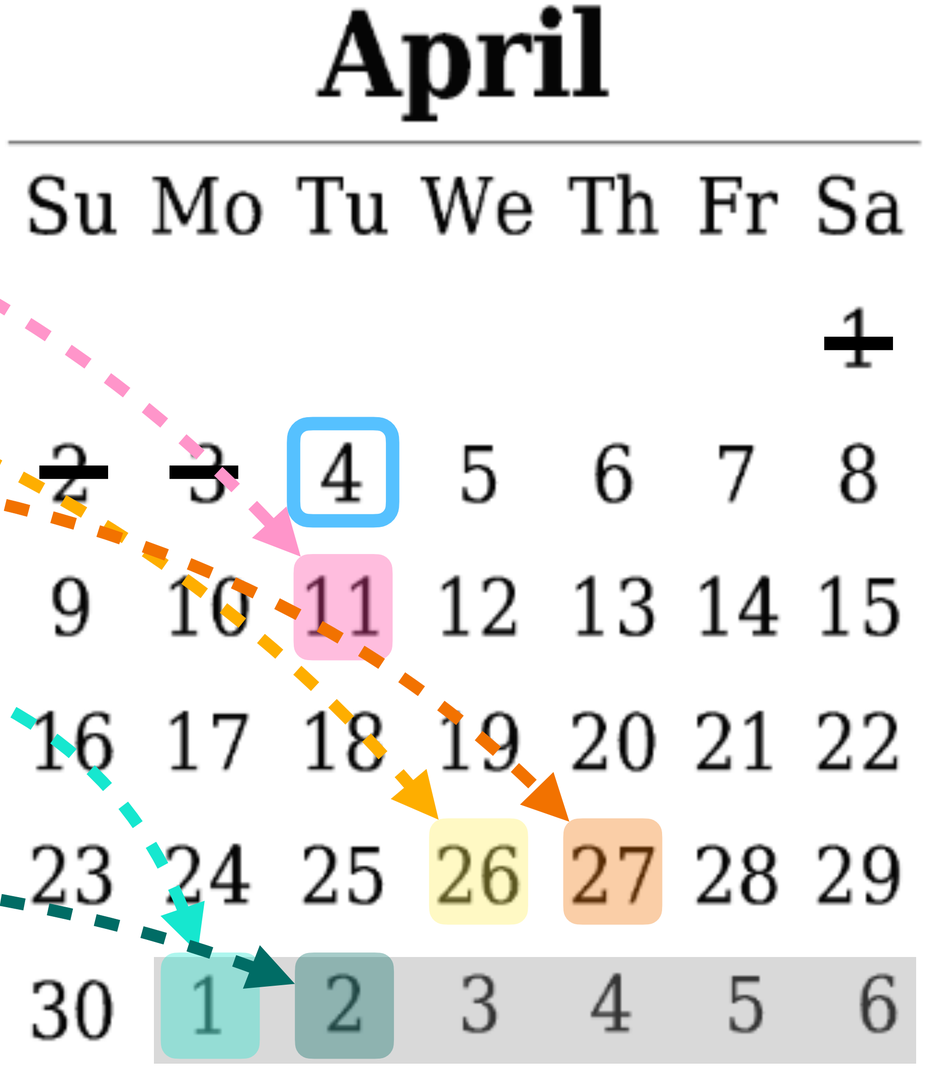
Evaluating Videos in class

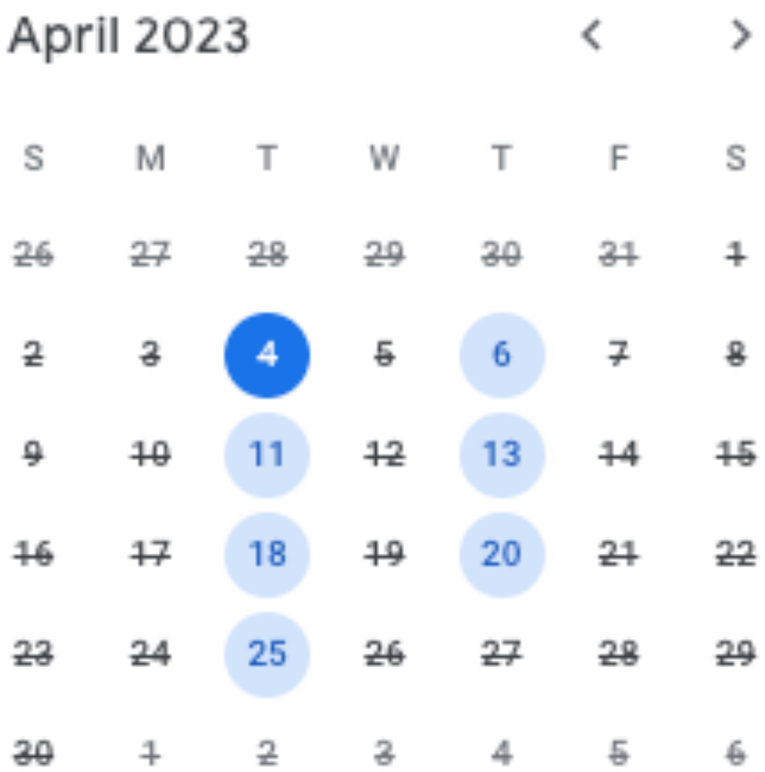


I plan to use the class timings 230-430 pm for this.

Check-in with me regularly

***In addition** to my office hours on Wed (2-330 pm) and Fri (9-1030 pm), I am willing to meet on Tuesdays and Thursdays 9am - 2pm to talk about your final project*

You can book a 30 mins slot to check-in
Link available on the canvas announcement

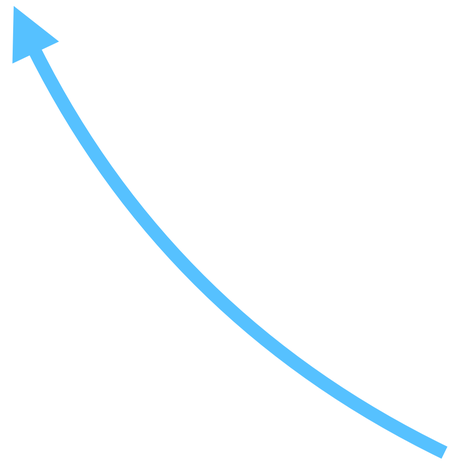


Highly recommend this to stay on track!!!

Quizes

We will have a total of 18+1 Quizes

I will take best 16 for grading!



Grading Policy

Course grades will be determined according to the following criteria:

- Project 0: 12%
- Project 1: 12%
- Project 2: 12%
- Project 3: 12%
- Project 4: 12%
- Final Project:
  - Project proposal document: 2%
  - In-class presentation on research topic-paper(s): 4%
  - Paper Reproduction: 12%
    - Algorithmic extension to obtain results on new data/idea/technique
  - Video and poster: 4%
  - Final report: 2%
- 16 Pre-Lecture Quizzes: 16% (1% each)
